OUR MISSION IS TO PROVIDE BIBLICAL AND VOCATIONAL EDUCATION SO OUR BRETHREN OVERSEAS MAY BE STABLE AND SELF-SUFFICIENT IN MINISTRY.

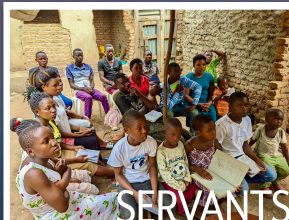

EVANGELISTS

We train evangelists using traditional schools, resource centers, and congregational resources to train local men to preach in their villages.

WORKERS

We train workers by pioneering programs to teach agriculture and functional skills to allow brethren to be self-sufficient and not rely on American funds.

SERVANTS

We train servants by providing curriculum and resources to encourage church leadership, evangelism, and growth to benefit all members.

We Need Your Help! Please Donate To This Great Work:

Manna Project 3950 Forest Hill Irene Rd, Memphis, TN 38125 **or** mannafarm.org/donate

MANNAFARM.ORG

CULTIVATING HOPE AROUND THE WORLD

We operate the **Talawanda** (Tanzania) and the **Rwenzori** (Uganda) Schools of preaching. In these traditional schools classroom sessions on Biblical topics last 6 hours a day for two full years. Students also work the school farms daily for 2 hours to gain skills. Upon graduation students return home without relying on US support.

We operate the **Manna Project Resource Center Jhapa** in Eastern Nepal. This center allows us to conduct short courses during the year. These courses are designed to teach brethren skills in: preaching, evangelism, leadership, agriculture, automotive, domestic, & other areas. We also provide curriculum & seminars to promote growth.

WE WANT TO HEAR FROM YOU!

For more information or to schedule a report at your congregation please reach out to Josh Robinson josh@mannafarm.org | 636.222.3534

The Manna Project is overseen by the elders at the Forest Hill church of Christ
